

TCCA Member Comments...

"TCCA is invaluable!"

"Love the questions posed by other managers and I really like hearing answers to problem questions. It is a great resource for products and to know how these products work before we buy them for ourselves."

"I love the fact that everyone can bounce ideas off of each other and gain valuable information."

"TCCA is a great way to network, make friends and share ideas."

"A wonderful organization full of people with similar priorities. Nice to have an organization focused on local needs."

"This is a great avenue for sharing challenges each of us face and more importantly, sharing the solutions that we come up with."

"TCCA is an excellent support tool for all members. The information shared between facilities is very helpful and useful. Because of this, facility managers can make better decisions."

Membership has many benefits...

The **Texas Civic Center Association** began in the North Texas area in 1995, then became a statewide organization in 1997. TCCA is an incorporated non-profit association offering membership to any Texas public assembly, recreation facility or vendors.

The Objectives and Purpose of the Association is to:

Assist in the promotion of centers for the enrichment of each community where located.

Promote cooperation and exchange of policies and practices toward the improvement of all Texas facilities.

Encourage and advance education in the field of community service.

Promote agricultural, tourism, economic development and the arts within each community

Acquire and disseminate information to the best interest of the public and the members of the Association.
